

RAMTØCH

Profile

RAMTeCH is a leading IT service provider, offering its clients extremely reliable services and solutions since 1992. We are a team of highly motivated, well-trained professionals, equipped with the very latest in systems and technology.

Our strength lays in our proven track record in the international market, our **ISO 9001:2000 certified world-class facilities**, and our emphasis on quality and cost effectiveness. All these have been instrumental in our successful handling of various large projects over the years.

As part of a large business group established in 1965, RAMTeCH enjoys support from other profit centers/companies of the group in terms of **operational needs, financial strength, satisfied clientele, and name of repute.**

We have consistently excelled in providing our clients with the best services from our offices at **New Delhi, Hyderabad, and Ludhiana in India, Hackensack and Dallas in the U.S.A., and Dubai in the U.A.E**, and are well linked to the clients worldwide via E-mail, telephone, facsimile, and the Internet.
